

# 2011 SPABA Grant Competition

Now accepting Research and Application/Dissemination Proposals

## COMPETITION OBJECTIVE

The Speech Pathology and Applied Behavior Analysis SIG (SPABA) provides one annual Research Grant and one annual Application or Dissemination Grant to ABAI members who conduct empirical research or raise awareness about behavior analysis among speech and language pathologists (SLPs). Research Projects should advance the evidence base for behavior-analytic conceptualization or treatment of speech, language, communication, and feeding disorders. Application or Dissemination Projects should involve effective application of the science-based principles of behavior by SLPs OR distribution of accurate information about the science-based field of behavior analysis among SLPs.

## AWARD

A grant of \$100.00 will be awarded to **one grant proposal in each category**. Each completed application will entitle the applicant to one year of free membership in the SPABA SIG.

## APPLICANTS

- Applicants must be a member of Association for Behavior Analysis International (ABAI).
- Applicants for the Research Grant must be a graduate student enrolled in a Masters or PhD program in Speech-Language Pathology, Behavior Analysis, Psychology, Special Education, or a related field.
- Applicants for the Application or Dissemination Grant may be graduate students or practitioners.

## ELIGIBLE PROPOSAL ACTIVITIES

- Empirical Research Project:
  - Projects can be new or ongoing.
  - Thesis or other research projects that are a requirement for completion of a graduate program are eligible activities.
  - Unpublished, completed research will also be considered.
- **New Grant Category** - Application or Dissemination Project:
  - Projects can be new or ongoing.
  - Projects must reflect the mission of SPABA.
  - Projects must demonstrate effective application of behavioral technologies by SLPs OR dissemination of behavior analysis to SLPs.
    - *Examples of eligible projects include: clinical case studies; original newsletters, pamphlets, or presentations designed to educate SLPs about the science-based field of behavior analysis.*

## PROPOSAL (all components are required)

1. Application Form
2. Proposal (3 pages maximum, not including references – double spaced, 1" margins, 10 pt font minimum)  
**Provide a clear and detailed description of the proposed project including:**
  - Empirical Research Category:
    - Outline research plans including your research question and rationale, a brief description of the participants and methods, and 2-5 references that set the occasion for your study.
    - Please include a statement of how the proposed study contributes to behavior analysis.
  - Application or Dissemination Category:
    - Outline project plans including your objectives, a brief description of the participants and methods, and 2-5 references used to inform the development of your intervention or project.
3. Letter of support from project supervisor (1/2 page maximum) – The letter should confirm that you are a full-time student (Research Grant, only) and that you are primarily responsible (e.g., principal investigator, project coordinator) for the submitted proposal.
4. Curriculum vitae – Please provide a copy of your current vitae.

## REVIEW COMMITTEE CRITERIA

- A panel of three reviewers will independently score each proposal on the following criteria: relevance to behavior analysis and SLP, clarity and feasibility of project plan, and anticipated or documented contribution to behavior-analytic research or practice. The authors of one Research Project and one Application or Dissemination Project with the highest average score will receive a \$100 grant.

### **REPORT BY GRANT RECIPIENTS**

- If your proposal is funded, please plan to present your project at the Speech Pathology Special Interest Group meeting held annually during the ABAI conference. All applicants will be informed of competition results by **Friday, April 29, 2011**.

### **GRANT COMPETITION CHECKLIST**

- Completed Application Form
- Proposal (maximum 3 pages, not including references)
- Letter of Support
- Curriculum Vitae

### **SUBMISSION**

Submit proposals electronically in Microsoft Word (.doc) or Adobe Acrobat (.pdf) by **Friday, February 18, 2011 at 11:59PM** to:

Dr. Amanda Karsten  
akarsten@wnec.edu  
Subject Line: SPABA Grant Competition

*Applicants will be notified via e-mail if they are a recipient or non-recipient by Friday, April 29. For this reason, please notify Dr. Karsten of any change to your e-mail address.*

### PROTECTION OF HUMAN SUBJECTS

Grant recipients must agree to obtain ethical review board approval to conduct and present their projects.

Do you have approval to conduct and present this project?

Yes  No  N/A

Will you seek approval to conduct and present this project?

Yes  No  N/A

Through which agency or institution will you apply for approval?

If your project does not require approval, please explain.
